Rail holiday to Venice on the Venice Simplon-Orient-Express

4 NIGHTS / 5 DAYS

- Travel on the Orient Express
- Three nights in Venice
- Optional extra nights
- Optional return journey by train with night in Zurich

This 4-night luxury rail holiday with the Venice Simplon-Orient-Express and 3 nights in Venice is a dream combination of classic, luxury train and time spent in the magical city of Venice. A journey on the legendary Venice Simplon-Orient-Express from London to Venice or vice versa is considered to be the ultimate train journey across Western Europe. It allows you to enjoy the luxury of rail holidays as it used to be, conjuring up the romance of the Twenties and Thirties, when rail travel flourished and was deemed to be the only civilised way to journey across Europe. The Venice Simplon-Orient-Express continues that tradition of elegance and refinement and is a totally delightful and memorable experience. The London to Venice train journey allows you for almost a day and a half to breathe in the style and service of a by-gone age, whilst enjoying the changing landscape as you travel across some of Europe's most spectacular scenery. Combine a journey on the Venice Simplon-Orient-Express with a three night stay at a luxury hotel in Venice. You may choose to travel aboard the luxury train either on the outbound or homeward journey.

Day one London Victoria to on-board the Orient Express

You depart from London Victoria railway station late morning on board the British Pullman train, having lunch on board before reaching the coast. You cross the Eurotunnel to Calais and then board the continental train. Dinner is taken en-route to Paris and whilst having dinner, your cabin steward transforms your day cabin into your cosy sleeping quarters for the night.

Day two Arrive in Venice

By breakfast time you are in Switzerland and depending on the route, may watch Lake Zurich pass as the train continues on its journey towards the Arlberg and Innsbruck. This is a spectacular journey and lunch is enjoyed before you cross the Brenner into Italy before descending towards Verona. There is time for tea on board before you reach Venice Santa Lucia station in the late afternoon. Upon arrival in Venice you are transferred to your hotel in the city, by private deluxe transfer.

Days three to four In Venice

You have two full days in Venice to enjoy this magical city. More than a city, Venice "La Serenissima" is an enchantress. Take the time to discover her winding streets, canals, quiet squares and lively waterfronts. To make the most of your time in Venice, it's worth dividing the city into areas or themes. The obvious place to start is at St Mark's Square, best appreciated whilst sipping a Venetian coffee at Florian's. St Mark's Basilica, the Doge's Palace and the Campanile can all be visited. The magnificent churches of Venice are worth seeking out: Santa Maria della Salute, Ss Giovanni e Paolo, and Santa Maria Gloriosa dei Frari (with works by Titian), Santa Maria dei Miracoli and the Gesuiti. The Jewish quarter can be found just off the Strada Nova to the north of the city and gives you a rare insight into the history of the Jewish community in Venice. There is a clutch of art galleries to be enjoyed including the Ca' Pesaro, the Ca' d'Oro, the Galleria dell'Accademia, the Scuola di San Rocco and for modern art, the Peggy Guggenheim Collection. The streets of Venice also contain a treasure trove of tiny artisan shops selling glassware, masks, lace and silk, and shoes. To absorb the magic of Venice from the water, treat yourself to a ride in a gondola. Across the lagoon, and reached by vaporetto, are the islands of Burano, home to lace-making and fishermen, and Murano, where master craftsmen offer demonstrations of glass-making before you enter their shops.

Belmond Hotel Cipriani

Day five Venice to London

There are a number of options for your journey home. We can include a one-way flight with British Airways from Venice Marco Polo to London or to a regional airport of your choice, or we can arrange for you to travel back to London by train, breaking the journey with an overnight stop in Zurich before the last leg with the fast Lyria service to Paris and on to London St Pancras by Eurostar. This option adds another night and day to the holiday.

OPTIONAL

It is possible to add extra nights in any of these destinations if you would like to spend more time there.

VENICE

Hotel Bisanzio 4 star

The Hotel Bisanzio is the perfect place from which to explore Venice, with comfortable rooms and excellent service. Situated just 300 metres from St Mark's Square, this 16th century palazzo is just the very beginning of your historic exploration of this magnificent city. The quirky Venetian style pervades throughout, with parquet floors, Murano glass lamps, walnut wainscoting, and antique furnishings that really set off this distinctive look.

Palazzo Giovanelli 4 star

A four-star superior hotel overlooking the Grand Canal in Venice, the Hotel Palazzo Giovanelli combines contemporary stylishness with the history of its setting: just a few minutes away from St Mark's Square and the Rialto Bridge. A waterside gate also provides gondola access. Stone archways and marble floors are in keeping with the history of the building, and yet there is captivating modern and ancient sculpture and painting. Each of the guestrooms either has a view of the Grand Canal, the hotel's pretty courtyard, the Ca'Pesaro, or the Church of San Stae.

Ca'Sagredo Hotel 5 star

This is a luxurious palazzo hotel which overlooks the Grand Canal, opposite the historical Rialto market. The 15th century palace has been declared as a National Monument, and is perfect for those seeking an elegant ambience in a historic setting. The hotel has 42 rooms and suites, each decorated in classic Venetian styling with antique furniture, gilt mirrors and Murano glass. Enjoy traditional Venetian cuisine on the splendid panoramic terrace of l'Alcova restaurant from where you can watch the gondolas and boats glide along the water.

Baglioni Hotel Luna 5 star

A popular and very comfortable hotel in an outstandingly convenient location near the western edge of St Mark's Square. While a hotel has occupied the site since the Middle Ages, the present building has recently been refurbished both inside and out. Bedrooms are home to plush carpets, high-quality

Venice Simplon-Orient-Express

furnishings, and elegant decoration, all offering a high level of general comfort. The hotel has its own landing stage for private water taxis.

Kempinski San Clemente Palace 5 star

The Kempinski San Clemente Palace is situated on its own island, in the Venetian lagoon, and it occupies a former monastery with 12th century church and historic courtyards. A complimentary shuttle boat takes you from the hotel to the Piazza San Marco. The hotel exterior is grand and majestic and from each room, a different view across the ancient spires, opulent palaces, and narrow canal ways of Venice is possible. The room types are numerous and the suites are, almost without exception, completely unique, with different furnishings, design styles, and space arrangements in each. There is a choice of dining, three bars, verdant grounds with tennis court and outdoor heated pool, and Merchant of Venice Spa.

Belmond Hotel Cipriani 5 star deluxe

The Belmond Hotel Cipriani is a legendary hotel in an exquisite location, set amid its own beautiful gardens on the island of Giudecca.

Guests can take advantage of the private motorboat service which is on call 24 hours a day to ferry them across the lagoon to St Mark's Square, a journey which takes just five minutes. Elegantly decorated bedrooms overlook San Giorgio Island, the Casanova Garden or the lagoon, while each of the three restaurants enjoy a lovely location. The hotel is an excellent option for those who don't want to stay in the centre of Venice.

MAP OF TOUR RAIL HOLIDAY TO VENICE ON THE ORIENT EXPRESS

The map below illustrates the route outlined in this touring itinerary, with overnight stops and places of interest highlighted.

GENERAL INFORMATION

This tailor-made touring holiday is one of several suggested touring holidays we can offer you exactly as it is but also with any alterations you might want including extra nights in one or more places or adding in extra places. All our tours can be extended so that you can include a longer stay in one mountain or lake resort too, perhaps at the end of the itinerary. Do call to discuss the options with our travel consultants.

OUR TOURS

Our rail tours are for individuals travelling on their own or in their own family group. You do not join a group and you are not escorted.

FLEXIBLE ARRANGEMENTS

Our arrangements are very flexible in that you choose to travel on any day you want, subject to availability of trains and hotels. As mentioned above, additional nights can be added at any point.

EUROSTAR

A rail holiday to Italy starts with a journey by Eurostar from London St Pancras, Ebbsfleet or Ashford stations in the UK to either Paris Gare du Nord or Lille Europe. In summer months there are direct trains on Saturdays from London St Pancras to Avignon with no change required.

Eurostar offers almost hourly departures every day, allowing you to travel from the centre of London to the centre of Paris on the same train in three hours. Not all trains stop at the Ebbsfleet and Ashford stations in Kent, but parking is plentiful at both stations and it allows you to avoid London.

Check-in is 30 minutes prior to departure, customs formalities are completed before boarding and there is no limit to the amount of baggage that can be taken on board. The Eurostar trains themselves have 8 coaches which are split into Standard Class, Standard Premier and Business Premier as well as 2 cafeterias. Standard Premier customers are served a light cold meal and enjoy a more spacious environment than Standard Class, while Business Premier customers receive a hot meal and unlimited beverages as well as lounge access.

TRAIN TIMES

We have planned our itineraries based on train times that work day by day at the time of planning which can be up to a year before you travel. Usually train times stay more or less the same every day, season by season. The times we have planned will be discussed with you at the time you enquire about the holiday and they are detailed to you in your written holiday quotation. It may be that the timetable changes between the planning of the itinerary and when you come to book but we can always adjust the itinerary to suit the actual train times and any requirements you have for particular times of travel.

FIRST OR SECOND CLASS

We will automatically include travel in second class but lots of our clients do upgrade to first class service. On Eurostar this is called Premier Standard for leisure travellers as it gives you an upgraded on-board service and more spacious seating but without paying for the fully-flexible business tickets. On the Inter-city trains, upgrading to first class gives you more spacious seating with increased legroom. The price of upgrading varies from route to route but is something that is not always proportionately a lot more on the price of the overall holiday, so well-worth considering.

TRANSFERS

Transfers in Paris between stations and from the station to each hotel are not automatically included in the price of the holiday. In Paris most clients choose to take a taxi between the stations rather than go on the Metro but we can arrange a private car with driver to take you in between. This is quite useful if you are a family group that can't fit into one Paris taxi.

OUR PRICES

The sample prices mentioned in this leaflet are generally a 'from' price based on the cheapest season of travel. However, train fares and hotel rates can change (up and down depending on offers), so we give you an accurate price for your holiday when we provide you with a quotation. Our sample prices should be used as an indication of how much a particular combination will cost and to show the differences on average between the hotel categories on offer.
